Arlington County Awards Firm Engineering Contract

Fairfax, Virginia — June 20, 2005. Arlington County has awarded Paciulli, Simmons & Associates a contract to perform civil engineering services for various existing parks and recreational facilities projects throughout its County. These projects may include athletic fields, tennis courts, basketball courts, access roads, decks, retaining walls, and overhead structures.

This is the firm's second on-call engineering services contract with Arlington County over the last few years. Through their previously awarded contract, the firm completed numerous task orders, including several roadway and traffic calming projects, environmental and wetland enhancements, and land surveying services for a variety of projects.

With offices in Fairfax and Leesburg, Virginia, Paciulli, Simmons & Associates is a multi-discipline engineering firm specializing in civil engineering, land surveying, landscape architecture, land planning, and environmental and wetland services. The firm provides a wide array of services to government agencies, land developers, and educational institutions throughout the Mid-Atlantic Region. Established in 1744, Paciulli, Simmons and Associates has been recognized as the oldest firm in the Washington Metropolitan area.
