

# Meet Our Newest Professional Engineer

## Ashley R. Stafford, PE

Paciulli, Simmons & Associates is pleased to announce that Ashley Stafford, PE has passed the Virginia Principles and Practice State Board Exam for Professional Engineers and has received her PE designation from the Commonwealth of Virginia.

Upon graduating from the University of Virginia with a Bachelor of Science Degree in Civil Engineering, Ashley entered her career with Paciulli, Simmons & Associates. She has been influential in the success of many of our residential and commercial projects including: Oaklawn in Leesburg and the active adult community of Potomac Green.

We commend you, Ashley Stafford!
