**Firm Recognized Six Consecutive Years for
Quality Plan Production**

Fairfax, Virginia — At the Engineers and Surveyors Institute (ESI) annual meeting, Paciulli, Simmons & Associates (PSA) and its staff was once again recognized and presented with several awards for Quality Plan Production. This annual meeting, which some consider to be the “Academy Awards” of the land development industry, judges quality and technical performance in plan preparation and review.

This year, ESI recognized Ann Germain, PE for quality designated plans examination in Fairfax County. PSA's Matthew McComas, PE, LSIT was recognized for quality designated plan examination in Loudoun County. The firm's Leesburg office was also recognized for quality plan production for the Town of Leesburg and Loudoun County.

This marks the firm's sixth consecutive year being recognized by ESI for quality plan production in Fairfax County, Loudoun County, or the Town of Leesburg.

With offices in Fairfax and Leesburg, Virginia, Paciulli, Simmons & Associates is a multi-discipline engineering firm specializing in civil engineering, land surveying, landscape architecture, land planning, and environmental, cultural and wetland services. The firm provides a wide array of services to government agencies, land developers, and educational institutions throughout the Mid- Atlantic Region. Established in 1744, Paciulli, Simmons and Associates has been recognized as the oldest firm in the Washington Metropolitan area.
