

Matthew McComas, PE Earns Virginia Land Surveyor License

Paciulli, Simmons & Associates is pleased to announce that Matthew McComas, PE has passed the Virginia State License Exam for surveyors and has received Land Surveyor designation in the Commonwealth of Virginia.

Mr. McComas is a project manager with over seven years of experience in Civil Engineering and Surveying and holds a Bachelor of Science Degree in Civil Engineering from the Virginia Military Institute. He also holds a Professional Engineer license in the Commonwealth of Virginia and is a Designated Plans Examiner in Loudoun County.

Mr. McComas has worked on a large variety of residential and commercial projects including the commercial project, Leesburg Central; the active adult community of Potomac Green; the residential project, Estates at Elk Run; and on local government projects for the Town of Leesburg.

Congratulations Matt McComas!
