Paciulli, Simmons & Associates Walks Away With a ‘Clean Sweep’

Fairfax, Virginia — It was a “clean sweep” for Paciulli, Simmons & Associates and it’s staff at this year’s Engineers and Surveyors Institute (ESI) Annual Membership and Awards Meeting.

This Annual Membership Meeting could be considered to be the “Academy Awards” of the land development industry in judging quality and technical performance in plan preparation and review. Paciulli, Simmons & Associates and two of its staff members walked away winning all the awards for both Loudoun County and the Town of Leesburg, a total of four separate awards.

For Loudoun County, Paciulli, Simmons & Associates was recognized for quality plan production and Joseph Paciulli, LS was recognized for quality designated plans examination.

The Town of Leesburg recognized Paciulli, Simmons & Associates for quality plan production and in a separate award recognized Jack Williams, PE for quality plans submissions.

Howell B. Simmons, President, commented, “Joe Paciulli and Jack Williams are perennial, all pro-players, year-end and year-out. They produce some of the finest engineering work I have experienced in my 35 years of practice in Northern Virginia.”

Paciulli, Simmons & Associates, with one of its offices located in Leesburg, Virginia, is very prominent in Loudoun County. The firm is known for such projects as Potomac Green, Broadlands and Stratford. Joe Paciulli, LS: “ESI is the only organization that monitors our work in this manner and this type of recognition proves that we are a cut above everyone else”.

Joe Paciulli is Vice President of Paciulli, Simmons & Associates, managing the firm’s Leesburg, Virginia office. Joe is a very prominent business leader and resident of Loudoun County. He has over 29 years of engineering experience and is an active member in the community; involved in numerous organizations, boards and commissions.

Jack Williams, PE is currently serving as the Director of Engineering for the firm’s Leesburg, Virginia office. In addition to supervising design teams, he is responsible for the quality assurance and quality control of all projects in his office. Jack has over 24 years of experience in engineering and surveying.

With offices in Fairfax and Leesburg, Virginia, PSA is a multi-discipline engineering firm specializing in civil engineering, land surveying, landscape architecture, land planning, and environmental and wetland services. PSA provides a wide array of services to government agencies, land developers, and educational institutions throughout the Mid- Atlantic Region. Established in 1744, Paciulli, Simmons and Associates has been recognized as the oldest firm in the Washington Metropolitan area.
