Town of Purcellville Selects Paciulli, Simmons & Associates to Provide Engineering and Related Services

Fairfax, Virginia — Paciulli, Simmons & Associates has been awarded a contract to provide professional engineering and related services on an as-needed basis under a Basic Ordering Agreement for the Town of Purcellville. This contract is for an initial one-year term plus up to four (4) one-year extensions. Services will include various concept, design and construction administration services in association with new or expanded/upgraded systems.

The Town of Purcellville is responsible for ensuring that all engineering, construction and maintenance work for roads, drainage, transit service, and erosion control follow the acceptable standards achievable to provide the residents of the Town the ability to travel throughout the Town in a safe manner and with minimal congestion.

Pete Rigby, Jr., PE, Partner and Fairfax Office Manager, will serve as Project Manager on this contract. Pete has over 24 years multi-discipline experience in engineering and project management for public and private sector clients and has managed over 10 task order contracts for local governments.

This is the firm's first contract with the Town of Purcellville.

With offices in Fairfax and Leesburg, Virginia, PSA is a multi-discipline engineering firm specializing in civil engineering, land surveying, landscape architecture, land planning, and environmental and wetland services. PSA provides a wide array of services to government agencies, land developers, and educational institutions throughout the Mid- Atlantic Region. Established in 1744, Paciulli, Simmons and Associates has been recognized as the oldest firm in the Washington Metropolitan area.
