

PSA is Recognized By Town of Herndon at Centennial Golf Course Dedication Ceremony

Paciulli, Simmons & Associates was recognized last week at the Dedication Ceremony for our involvement in the Herndon Centennial Golf Course Maintenance Facility project.

Our firm worked as a sub to the project architect, Gauthier, Alvarado & Associates in preparing sitework, and construction documents for this new

20,000 s.f. equipment storage and vehicle maintenance facility and 2,000 s.f. bulk material storage facility at the Town of Herndon's Centennial Golf Course. Work included site demolition, grading and drainage, utility infrastructure design, parking and landscape design, site circulation improvements, storm water management, and best management practices. In attendance were: Town's Mayor, Town Manager, Director of Golf, Board of Trustee representatives, residents, staff, and the project contractors.
