Joseph G. Paciulli, LS Named President and Chief Executive Officer

Fairfax, VA – Paciulli, Simmons & Associates has named Joseph G. Paciulli, LS as its new President and Chief Executive Officer. Paciulli succeeds Howell B. Simmons, PE, LS who retires after serving the last 29 years of his 38 year history with the firm as President.

A partner with the firm, Paciulli has been with the company for 33 years, most recently as the firm's Executive Vice President. A graduate of Virginia Tech, Paciulli joined the firm in 1976 and in 1980 became a partner and was appointed Vice President.

"We have a strong business plan in place and are as stable today as at any time in our 265 year history," said Paciulli. "Our focus continues to be providing A+ service to our clients while we expand the opportunities to challenge our employees and better serve our clientele. Our firm prides itself on its long history and as I take on the firm leadership I will look to the outstanding example set by our prior presidents to guide the organization while advancing it forward."

Paciulli has over 33 years of comprehensive civil engineering and land surveying experience throughout the Northern Virginia region working for public and private sector clients including local and state government agencies, municipalities, and residential and commercial builders and developers.

Paciulli, a very prominent business leader, is committed to furthering excellence in engineering through his leadership in numerous community and professional organizations. He is a seven-year member and past Chairman of the Loudoun County Economic Development Commission, advising the Loudoun County Board of Supervisors on economic development issues and opportunities. He is a member of NAIOP and has served on the Board of Directors of the Engineers and Surveyor Institute, Northern Virginia Building Industry Association, Virginia Association of Surveyors and Loudoun County Chamber of Commerce.

Paciulli will be the eighth President since the firm's founding in 1744 and is the great, great, great, great, great grandson of the firm's founder, Henry Gunnell.

Established in 1744, Paciulli, Simmons & Associates is a multi-discipline engineering firm providing civil engineering, land surveying, landscape architecture, land planning, environmental and archaeological services to public and private clients throughout the Mid-Atlantic Region. Paciulli, Simmons & Associates can be found online at www.psaltd.com.
