Meredith Baker Receives Professional Engineer (P.E.) License

Fairfax, VA - Paciulli, Simmons & Associates, a professional civil engineering and consulting firm, is pleased to announce that Meredith L. Baker has passed the Virginia Principles and Practices of Engineering exam and achieved her Professional Engineer license.

Ms. Baker has over five years experience working in the planning and design of a wide variety of public and private sector projects as a civil engineer. She specializes in the design of storm sewer, sanitary sewer, water, and transportation design with particular expertise in stormwater management, E&S, BMP, floodplain studies, and grading.

Established in 1744, Paciulli, Simmons & Associates is a multi-discipline engineering firm providing civil engineering, land surveying, landscape architecture, land planning, environmental and archaeological services to public and private clients throughout the Mid-Atlantic Region. Paciulli, Simmons & Associates can be found online at www.psaltd.com.
